

FOR IMMEDIATE RELEASE:

EC PRESS RELEASE NOVEMBER 17th2016

EC strengthen its presence in Africa.

Mr. Harley Ithier,

Rose Hill, Republic of Mauritius, owner of Harley Consultancy - Introducer to EC.

Harley has a very rich background working with entrepreneurs and non-government organizations (NGO's) in Mauritius and Overseas. With a professional team, he led his own major insurance agency dealing in life and non-life products, financial investments, residential mortgages as well as commercial loans successfully for a good number of years representing the Anglo-Mauritius.

Today, he specializes in raising finance internationally, Recourse loans and Non-Recourse Funding through BGs, SBLC's and Private Funding Programs.

As an experienced entrepreneur himself, a company director and a seasoned leader he brings a wealth of experience at the organizational, strategic and personal level. Harley has been a Full Member of the Institute of Marketing Management of the Republic of South Africa for more than 20 years.

After preliminary studies in insurance and mortgages, Harley continued undergraduate work in Business Management and later his graduate level was in social and economic research.

Through the years, he has been the founder and Director of Studies for three training institutes and is a registered trainer with the Mauritius Qualifications Authority (MQA). He has served on several Boards at national level: Multi-purpose Co-operative Society, The Bible Society of Mauritius and Mauritius Council of Social Service serving some 300 NGO's. He was also the Chairman of the most successful Credit Union in Mauritius.

He has lectured and trained leaders in various African countries and in Mauritius his home country. As a professional and a civil society leader, Harley has had the privilege of carrying out assignments for the African Union. He was trained at the Southern African Development Community Regional Peacekeeping Training Centre (SADC - RPTC) in Harare, Zimbabwe.

He has led leadership conferences in: Madagascar, Reunion, Australia, South Africa, Kenya, United Kingdom, France, Belgium, USA and Canada and has thus developed a very strong network.

With the present remarkable economic and financial breakthrough happening in Mauritius and the many business opportunities rolled out in the new economic roadmap of the government of Mauritius, Harley Consultancy positions itself as a worthy service provider to help local and international entrepreneurs, individuals and NGO's achieve their desired financial objectives.

Harley is married to Alix for 30 years now. They have 2 children and are also the proud grandparents of 1 granddaughter of 2 and half years.
